

# 05 The Deputy's Spotlight

December  
2022

## Who am I at a glance?

My name is Deputy Noel Sevilla but I want all my students and faculty to call me "Deputy Noel." I've been with Santa Rosa Sheriff's Office since 2018 and the WBMS school resource officer since the 2018-19 school year.

My law enforcement career started in 1993. Before moving to Santa Rosa County in 2018, I retired as a sergeant from a police agency in the mid-Atlantic region.

I'm able to build a great rapport with the students because I've coached for 15 years in several sports including baseball, softball, basketball, soccer and martial arts. Coaches are mentors and it's important to me to make those kind of connections with my students. In my free time, I still coach with the Miracle League, umpire baseball and referee basketball.

*"Making Connections & Building Relationships"*

## SRSO STAR KID AWARD

The Star Kid award program is to acknowledge and award a kid doing the right thing. A kid going above and beyond what's right in the community.

SRSO awarded Daxton Gullick and Ava "Z" Zuniga the award for all their efforts in the SWAT Club. Daxton and Z are the leaders in the student run club. They are responsible for the club having an active role in the school and the community spreading the anti-vape and anti-tobacco message. Great job Daxton and Z!!

## Great American Smokeout

This year the Great American Smokeout is on Thursday November 17. Originally this day asks for current smokers to give it up for just a day. Instead of making it just one day, the WBMS SWAT made it a campaign for several days. The SWAT Club wants to do the following: educate youth about the dangers of smoking and to prevent people from starting.

The SWAT club posted several posters and a short video on health risks and the impact of big tobacco. Lastly, the club created, "I promise not to vape" pledge where students are signing in the main hallway. This is a great way for the club to get recognition.

## What is the SAFE Program?

The SAFE Program is a means for allowing better communication between Santa Rosa County Emergency Responders and residents with special needs, or other disabilities, regarding critical information before an emergency occurs.

## How does it work?

When residents enroll in this program, our dispatchers will input critical information into our system. This information will then be shared securely with other First Responders in the county. Should an emergency arise, the Sheriff's Office, EMS, Police, and Fire will have all the information that was provided to better keep residents safe.

## Who should enroll?

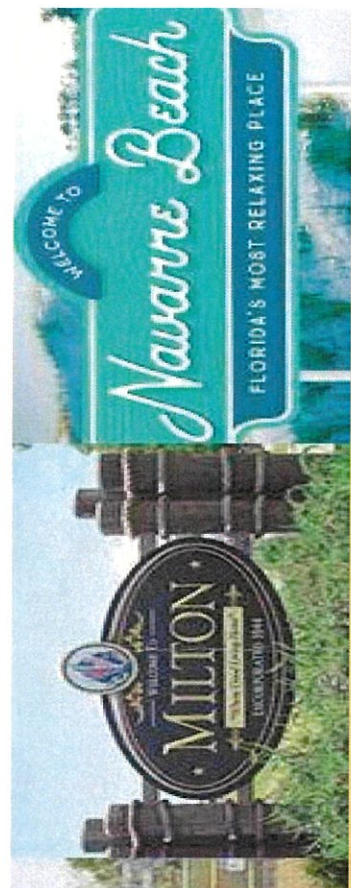

This program is for all Santa Rosa County residents with a disability or special needs.

Residents who might benefit from enrolling in the Safe Program

Include:

Individuals with

- Autism
- Down syndrome
- Alzheimer's disease
- Deafness
- Blindness
- Other communication disorders
- Other mental disabilities/limitations.

## How to enroll

Visit the Sheriff's Office website. Under the programs section, residents can find the SAFE Program. After downloading the form, email the completed form to [Dispatch@SRSO.net](mailto:Dispatch@SRSO.net). Please be sure to keep all information up to date.

After enrolling in the SAFE Program, residents may go to their local district office to receive 3 program decals. These decals will serve as an identifier to First Responders. Decals should be placed on the driver side rear window and a home entry point.
