

The Deputy's Spotlight

Who am I at a glance?

My name is Deputy Noel Sevilla but I want all my students and faculty to call me "Deputy Noel." I've been with Santa Rosa Sheriff's Office since 2018 and the WBMS school resource officer since the 2018-19 school year.

My law enforcement career started in 1993. Before moving to Santa Rosa County in 2018, I retired as a sergeant from a police agency in the mid-Atlantic region.

I'm able to build a great rapport with the students because I've coached for 15 years in several sports including baseball, softball, basketball, soccer and martial arts. Coaches are mentors and it's important to me to make those kind of connections with my students. In my free time, I still coach with the Miracle League, umpire baseball and referee basketball.

Middle School Ediquette

Have you ever wondered what happens when students get to school each morning? In middle school there are many expectations students are meeting. If you take the bus, ride a bike or parent drop-off, the beginning of the day starts with breakfast in our cafeteria. Those who already have had breakfast at home, the expectations is to go straight to the 1st time block class and patiently wait for the bell

Students then quietly go to their 1st time block class and sit against the wall. Teachers are monitoring the hallways and preparing their classrooms to accept the students. It's fairly an orderly system. Students can talk quietly while there are waiting for the bell, however, roaming the halls or hanging

out in the bathrooms waiting for the first bell to ring is not permitted. This is our first contact with the students in the hall to ensure a great day.

During the 1st time block, our talented ITV class providing the school with daily news, lunches and daily announcements.

Between classes and when the bells ring, students exit their classroom and make their way to their next class. For security reasons, Woodlawn is a secured school so it's not necessary to open any exterior doors to make way to the students next class. The hallways get loud but students are expected to walk on the right side of the hallway to their next class. We are as timely as a nice Swiss watch.
