

The Deputy's Spotlight

Who am I at a glance?

My name is Deputy Noel Sevilla but I want all my students and faculty to call me "Deputy Noel." I've been with Santa Rosa Sheriff's Office since 2018 and the WBMS school resource officer since the 2018-19 school year.

My law enforcement career started in 1993. Before moving to Santa Rosa County in 2018, I retired as a sergeant from a police agency in the mid-Atlantic region.

I'm able to build a great rapport with the students because I've coached for 13 year in several sports including baseball, softball, basketball, soccer and martial arts. Coaches are mentors and it's important to me to make those kind of connections with my students. In my free time, I still coach with the Miracle League, umpire baseball and referee basketball.

What is in the Spotlight?

The purpose of this monthly newsletter is to keep students, faculty, parents and friends informed of the wonderful things I am doing here at Woodlawn. Principal Lowrimore has a finely tuned machine and I'm glad to be a part of his team. The first few weeks is about getting to know each other or reacquainted, and welcoming our 6th grade to our school family. If you have any great idea's for us feel free to share them with us!

What has WMBS done in the past?

The last 3 years WBMS has the highest number of SpeakOut Tips averaging about 40 tips a year. We have SpeakOut scavenger hunt, poster contest and using ITV to get the word out. The last 2 years I've worked with Mrs. McDonald (art) with "Paws for Woodlawn." Students paint their paw prints leading to the front door of the school. Please come and enjoy the work they put into making our school beautiful. I've also created a program called "Escape the Vape Santa Rosa," to educate students of the health risks of vaping. I will go into more detail of several programs in upcoming issues. I'm looking forward to this school year.
