

04 The Deputy's Spotlight

November
2022

Who am I at a glance?

My name is Deputy Noel Sevilla but I want all my students and faculty to call me "Deputy Noel." I've been with Santa Rosa Sheriff's Office since 2018 and the WBMS school resource officer since the 2018-19 school year.

My law enforcement career started in 1993. Before moving to Santa Rosa County in 2018, I retired as a sergeant from a police agency in the mid-Atlantic region.

I'm able to build a great rapport with the students because I've coached for 15 years in several sports including baseball, softball, basketball, soccer and martial arts. Coaches are mentors and it's important to me to make those kind of connections with my students. In my free time, I still coach with the Miracle League, umpire baseball and referee basketball.

"Making Connections & Building Relationships"

SWAT Club Updates

It's been a busy month for SWAT Club. At the beginning of the school year, there were ten students all in the leadership positions. Those positions were filled with 7th and 8th graders. The club had a big push for new members and new leaders to take the challenge.

This month was the membership drive, now the total club members are about 45-50. Twenty-four brand new 6th graders have joined SWAT. The next steps are to identify those who want to become student leaders.

October is the "not a lab rat" campaign. This is the push for SWAT to tell Big Tobacco we're not going let you push us around and ruin our lives. There are several smaller and bigger campaigns in the works.

DON'T LET BIG TOBACCO EXPERIMENT ON YOU.

WE ARE NOT
LAB RATS.

Escape the Vape Travels

October kicks off the *Escape the Vape* tour. The tour is its 2nd season, *Escape the Vape* is an interactive presentation about the health risks of vaping. The presentation is given to every 6th grader in the school district. This encompasses eleven different school throughout the county and over 2230 students.

Students learn about the history of vaping, what is a drug, the affects of nicotine, the heath affects of vaping, why people vape, school/criminal consequence, ways to say "no" and a few case studies about vaping. Students will also get to take home a few gifts such as a wrist bracelet, stickers, magnets and pencils.

THE
SANTA ROSA COUNTY
SHERIFF'S OFFICE

SAFE
PROGRAM

What is the SAFE Program?

The SAFE Program is a means for allowing better communication between Santa Rosa County Emergency Responders and residents with special needs, or other disabilities, regarding critical information before an emergency occurs.

How does it work?

When residents enroll in this program, our dispatchers will input critical information into our system. This information will then be shared securely with other First Responders in the county. Should an emergency arise, the Sheriff's Office, EMS, Police, and Fire will have all the information that was provided to better keep residents safe.

Who should enroll?

This program is for all Santa Rosa County residents with a disability or special needs.

Residents who might benefit from enrolling in the Safe Program

Include:

Individuals with

- Autism
- Down syndrome
- Alzheimer's disease
- Deafness
- Blindness
- Other communication disorders
- Other mental disabilities/limitations.

How to enroll

Visit the Sheriff's Office website. Under the programs section, residents can find the SAFE Program. After downloading the form, email the completed form to Dispatch@SRSO.net. Please be sure to keep all information up to date.

After enrolling in the SAFE Program, residents may go to their local district office to receive 3 program decals. These decals will serve as an identifier to First Responders. Decals should be placed on the driver side rear window and a home entry point.
