Santa Rosa County School District's Exceptional Student Education Department welcomes our families of students with Individual Education Plan's to The Russell Center on December 10th from 10:30-2:00 for an opportunity to learn more about available district and community resources.

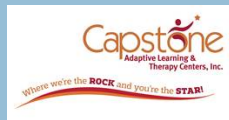

If you would like more information, please reach out to the ESE Department at 850-400-7400 Ext. 3416

What is TriCounty?

This is a wonderful opportunity for you to learn more about available possibilities for your child, beginning as early as age 12, within the TriCounty area to include Escambia, Okaloosa, and Santa Rosa Counties. This will also give you an opportunity to plan ahead, for post-secondary opportunities and talk first hand to providers, as well as hear testimonials from families. Our students from across the TriCounty area will have Winter Wonderland themed purchases, with amazing opportunities for door prizes.

Who will be there?

As well as many more...
