| BRE              | MHS              | AMS                     | East Bay (K-5)     | WBMS           | OBE                  |
| PRE              | LASR/Camelot     |                         |                    |                |                      |

**\*Home Office Location**

Job Responsibilities (Responsibilities subject to change based on needs and as we work to define this position):

- Maintain communications with Coordinator of MH.
- Serve on school-based Threat Assessment Teams, respond to crisis calls as needed.
- Assist with Baker Acts in collaboration with school/SRO/MRT.
- Complete Mental Health Assessments for students making “very serious substantive” threats (part of CSTAG-state required threat assessment process).
- Participate in district trainings relevant to job responsibilities (i.e., CSTAG, Student Services Training, Suicide Prevention Protocol)
- Become a YMHFA Trainer and facilitate trainings for school district employees.
- Participate in community collaboration/student team meetings (CAT Team, MRT, DCF, other agencies) when necessary.
- Provide additional training and support for schools in TIC/Resilience training and Covid-19 readjustment/response.
- Trauma Counseling on an as needed basis.
- Log and maintain record of services provided within schools.
